In the Matter of

ADJUSTMENT OF RATES OF)	
THE SOUTHERN MADISON)	CASE NO. 8922
WATER DISTRICT)	

O R D E R

On December 15, 1983, Southern Madison Water District ("Southern Madison"), by counsel, filed its Motion to Hold Application for Adjustment of Rates in Abeyance. The Motion states that the action is necessary as a result of present changes and negotiations with the Farmers Home Administration ("FmHA"), United States Department of Agriculture, regarding Southern Madison's loan application from FmHA for funds to make improvements and extensions. The Motion further states that the changes and negotiations are such that Southern Madison will be unable to timely comply with the Commission's requests for information and also that further amendment of its rate structure will be required.

The Commission, having considered the Motion and being advised, is of the opinion and finds that, in view of the uncertainties with respect to the loan application from FmHA and the rate structure of Southern Madison, this case should be dismissed without prejudice.

IT IS THEREFORE ORDERED That this case be and it hereby is
dismissed without prejudice.

Done at Frankfort, Kentucky, this 12th day of January, 1984.
